

You will be
My witnesses in
Jerusalem, in all
Judea & Samaria,
& to the ends of
the earth.

Acts 1:8

Where are
the Levys?

Levy Family • April 25, 2017

PRAYER LETTER

The Lord's right hand is lifted high; the Lord's right hand has done mighty things! Psalm 118:16

What-cha Working On?

We came into 2017 with our plates full of work to be done with many of the outreaches happening throughout the U.S. and the world.

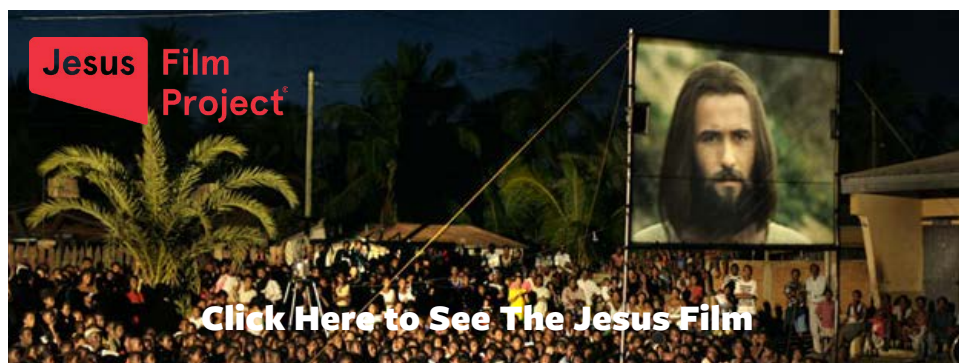

I have been designing a large manual for Cru City that is being used to engage working professionals as they reach out to fellow co-workers regarding spiritual leadership, discipleship, and evangelism. Manuals are not the typical kind of work I particularly enjoy, but I am very thankful to have been a part of this project.

Thankfully, our team leader, Jonas, had me step away from the office a bit to build a much needed coffee bar for our break room. This was a welcome change from being behind the computer for months on end.

Julie has also been working on manuals. On a year and a half project, she has been able to transform all of the mission manuals for Cru High School's summer missions. Each manual is specific to the country in which the students and leaders are going. She's down to the last round of the East Asia "Go Pacs," shown on front. These mission trips are geared to assist students sharing Christ through many outreaches and camps. They are Cru High School's main training and leadership resources for all overseas mission trips. ■

Jesus Film Project reached 1,500 translations this year!

[Click Here to See The Jesus Film](#)

The JESUS Film is the most translated film in the world. The goal of having the film translated in 1,500 languages has come to fruition this past March 2017!

The film, based on the Gospel of Luke, was initiated by the late Bill Bright, co-founder of Cru, who had a vision to show the film in every country.

About 2,000 theaters in the United States first aired the movie in 1979, and it wasn't long before the JESUS Film Project began to be translated.

Since then, the film has been used to make 7.5 billion Gospel presentations in 230 countries, with more than 490 million people indicating a decision for Christ after viewing it.

It's been retouched and repackaged many times throughout the years. The film has moved across mediums from a 16mm projector to VHS to DVD to digital content on the free JESUS Film App, which houses our short films as well.

The JESUS Film team is moving forward to reach the thousands of remaining tribes and tongues of the world.

We are so privileged to work alongside this amazing team. ■

Past/Next Projects

We are so pumped about the remainder of this year. The Christmas campaign we shared about was a huge success:

- Reach: 5,797,777
- People Engaged: 501,536
- Clicked through to Gospel Presentation: 17,719

Presently we are working on another college campaign for Halloween. A storyline has been decided on. Now we are working towards finalizing the script and a filming date.

Other work is growing tremendously. The JESUS Film team has given us the "green light" to work towards more short films for the App. ■
